Each International/Affiliate Club President provided a completed Statistical Form and Award Entry Form that included statistics for and descriptions of projects with the GFWC Affiliate Organizations. Such statistics and descriptions were included in the appropriate GFWC Special Program or Community Service Program according to the intent of the project. You are asked to pull all statistics related to projects with each Affiliate Organization and enter them in the designated line below. This information is being gathered to gain the full scope of our work with Affiliate Organizations at the International level and will be shared with each to demonstrate service by GFWC clubwomen.
